

MINNESOTA GOLF FOUNDATION

WOMEN'S SCHOLARSHIP

*Helping young women
with their college endeavors
for over 25 years.*

In 1998, this scholarship opportunity was created by the Minnesota Women's Golf Association* with the mission to provide scholarships to support young women in their collegiate ventures.

Since its inception, over \$800,000 in scholarships has been awarded to 76 recipients.

The criteria for judging applicants is based on their academic excellence, financial need, quality of character, and interest or involvement in golf.

Each year's application deadline is March 31st.

**In 2016, the MWGA merged with the MGA (Minnesota Golf Association) which continues to offer this scholarship program now under the name of the Minnesota Golf Foundation.*

Giving

Each one of us can be a positive force in helping the growth of women in education and golf through our active support of MGA events for females and financial contributions to the tax-exempt MGA Foundation. The Minnesota Golf Foundation Women's Scholarship earnestly welcomes individual, group, and corporate financial support.
