

123RD UNITED STATES OPEN CHAMPIONSHIP
LOCAL QUALIFYING
MONDAY, MAY 1, 2023 – TPC TWIN CITIES, BLAINE, MN

PRACTICE ROUND INFORMATION

TPC Twin Cities is making **Monday, April 24**, available for practice rounds at the reduced rate of \$85 walking (\$100 riding). Starting times will be 11:00a-1:30p from both #1/10 tees. Players will be grouped into foursomes as times are requested in order to accommodate as many players as possible on that day. Availability is limited to players only.

If you are unable to play on the 24th, other times may be available on a space-available basis throughout the time leading up to the Qualifying. Rates for those times are \$150 walking (cart \$20 extra).

If you will be travelling to the Twin Cities immediately prior to the Qualifying and need to play on the weekend (Saturday or Sunday), a limited number of times may be available after 3p each day. However, these times are limited to those players from out of state who cannot otherwise play a practice round. The rate is \$150 walking (cart \$20 extra).

If you wish to schedule a practice round for the 24th, you may call the TPC Golf Shop, 763/795-0800, and identify yourself as a US Open Qualifying participant.

If you wish to schedule a practice round for another day or the weekend prior, you need to email Head Professional Adam Chandler, adamchandler@pgatourtpc.com. No walk-ups will be permitted. You will not be allowed to play without scheduling your practice round in advance.
