

**123<sup>RD</sup> UNITED STATES OPEN CHAMPIONSHIP**  
**LOCAL QUALIFYING**  
**MONDAY, MAY 8, 2023 – SOMERBY GOLF CLUB, BYRON, MN**

**PRACTICE ROUND INFORMATION**

Sommerby Golf Club is permitting practice rounds on an as-available basis beginning *Tuesday, April 25*, as follows:

Weekdays: Before 10 am and after 2 pm  
Weekends: After 3 pm  
Rate: \$60 walking; cart extra

Practice rounds on the Saturday and Sunday immediately preceding the Qualifying (May 6-7) are limited to those players who are not able to play at any other time and out-of-state players who cannot get to the course until then.

Practice rounds may be limited to players only depending on availability. However, if allowed to play, guests playing with entered players will not receive the special rate and will be expected to pay the standard guest rate at that time.

Also, the driving range will be available for warming up prior to your practice round but will not be available for practicing following your round out of respect for Sommerby members. This especially applies to the Saturday and/or Sunday practice rounds. However, players may use the short game area and putting green at any time.

To schedule a practice round, please email Sommerby Director of Golf John Fitzgerald – [jfitzgerald@sommerby.com](mailto:jfitzgerald@sommerby.com) – and identify yourself as a Qualifying participant.
